

An Easy Way to Support the Ephrata Area Education Foundation!

As a non-profit organization, the Ephrata Area Education Foundation exists solely to support and enhance the Ephrata Area School District. And every donation is **TAX DEDUCTIBLE!**

Thank you for the generous support you have already shown. Working together, we have already started to make great strides in just one year!

- In 2011-2012 the Foundation will be able to support more Venture Grants in one year than ever before. The Board has approved **15 Venture Grants** for this school year!
- Partnering with District teachers and administrators, the Foundation was able to secure a grant for over \$4,700 from Lancaster County Community Foundation to expand District Early Childhood Education offerings. New programs will reach out to parents and their children from birth through age three to help lay a strong foundation for learning.
- The faculty and staff at Clay Elementary School selected the Foundation as one of the recipients of funds from their Dress Down Days. The Foundation will use this donation to support the District.
- The Foundation is reaching out to businesses to show them how much the District has to offer, including bringing them on campus for events.

Signing up for payroll deduction is as easy as completing the form on the back of this paper and returning it to Kati Farrer, EAEF Development Director, (to Clay via courier) by **October 1, 2011.**

**Please join us in this effort and put your donation
dollars to work for the students in the District!
You must fill out a new form each year.**

EPHRATA AREA EDUCATION FOUNDATION
